Stop by the Matthies Welcome Center at USS for Registration Information

Pampered Pet Portraits - Bring a photo of a pet or favorite animal to explore making art with graphite and colored pencils using a variety of artistic techniques such as simple thick to thin lines, dots, hatch, cross-hatch and blending. Instructor Denise Roberts will help you create a masterpiece in just two weeks. Maximum 10 participants. \$10-includes supplies. *Mondays, July 10 and July 17, 10-11:30am*

Fiesta Del Sol - Practice your basic Spanish with fun, hands-on activities. Phyllis Chilton will be your instructor. Maximum 20 participants. \$20 *Tuesdays, July 11, 18, 25 and August 1, 10-11am*

Speaking You English? - Learn the pitfalls (things they didn't even try to teach in school) built into English language with Dr. Barbara Matthies. You may be surprised at what you thought you knew! Maximum 25 participants. \$10 *Wednesdays, July 12 and July 19, 11am to Noon*

Waltz - Get your groove on; come waltz with us. John and Diane Eichelberger will teach you simple waltz steps that will dazzle your friends! Limited to 5 couples. \$20 per couple. *Thursdays, July 13, 20, 27 and August 3, 6-7pm*

Cooking Demonstration with Chef Doug McGregor from Seasons Bistro
\$5 *Thursday, July 13, 4-5pm*

Beer Tour, Tasting and Pizza at Mother Stewarts Brewery
Thursday, July 20, Tour begins at 3pm, \$15 includes flight of four craft beers and pizza. Go directly to Mother Stewarts Brewery or meet at 2:30pm at USS and walk over with a group.

Aviation Series Sponsored by Springfield Masonic Community

Finding Submarines Using Acoustic Information in the North Atlantic - Between 1965 and 1990 a covert game was conducted between Soviet and U.S. submarines. Presenter, Joe Stewart, will use actual plans and diagrams to highlight systems used by the U.S. Navy to find and localize these submarines. Free.
Monday, July 10, 2017 - 1-2:15pm
Location: *Springfield Masonic Community, Festival Green Clubhouse* (Refreshments provided.)

Cold War Communications with U.S. Submarines - Presenter, Joe Stewart, will detail the airborne and land-based systems used prior to satellite communications by the U.S. Navy to ensure communications with their covert submarines while at sea. Free.
Monday, July 31, 2017 - 1-2:15pm
Location: *Springfield Masonic Community, Festival Green Clubhouse* (Refreshments provided.)
